

Forgotten Treasures Resale Boutique invites shoppers to a special shopping experience. Located on Shorehaven's campus, the boutique has served as a favorite shopping destination for decades. The shop is operated by Shorehaven's Service League of Volunteers, a dedicated group of volunteers committed to enhancing the lives of Shorehaven residents.

Filled with one of a kind items, new and used, Forgotten Treasures relies completely on donations from the Lake Country community.

In addition to being a favorite shopping venue for Shorehaven residents, families, and staff, it has also become a popular destination for shoppers from the Lake Country area and surrounding communities.

With every Forgotten Treasures purchase, I know I am benefiting a Shorehaven resident. These are the people who built our neighborhoods we thrive in today. At Forgotten Treasures... Every. Purchase. Counts.
