### OTHER SERVICES/REFERRAL SERVICES

#### Shorehaven Spa Bath

If desired, enjoy spa bathing at Shorehaven. For those who have difficulty bathing in their own home, this unique service includes transportation to/from Shorehaven and personal assistance. The Client can relax in our whirlpool bathing spa while hydro therapy jets ease their whole body. If salon schedule permits, clients may schedule an appointment with the onsite beauty salon for additional price. (Beauty Salon Prices available on request)

#### TeleCheck/Drop In Monitoring Service (AM and PM till 5pm/Monday-Friday)

**1x/day      2x/day**

Service includes medication reminders and wellness check. Drop in Monitoring is provided to Shorehaven Campus Residents only.

#### Rehab to Home for up to 8 hours

Service includes transportation home from Rehab, new prescription pick up, grocery shopping/meal preparation, client is comfortable and any necessary adjustments for safety are made. Second visit can include necessary follow up appointments with physician.

#### Referral Services (Helping Hands)

Life@Home will help to connect you to a reliable, insured community resource for additional help/services, that Life@Home doesn't provide. Fees based on individual services and is not negotiated through Life@Home.
